#### Youth Hostel Köln-Riehl An der Schanz 14, 50735 Köln

Dear guests, Cologne, too, currently has a traffic problem due to a large number of construction sites and bridge repairs. To make it easier for you to get to the accommodation below a few hints !

Due to the renovation of the Mülheimer bridge, the entire area should be bypassed !

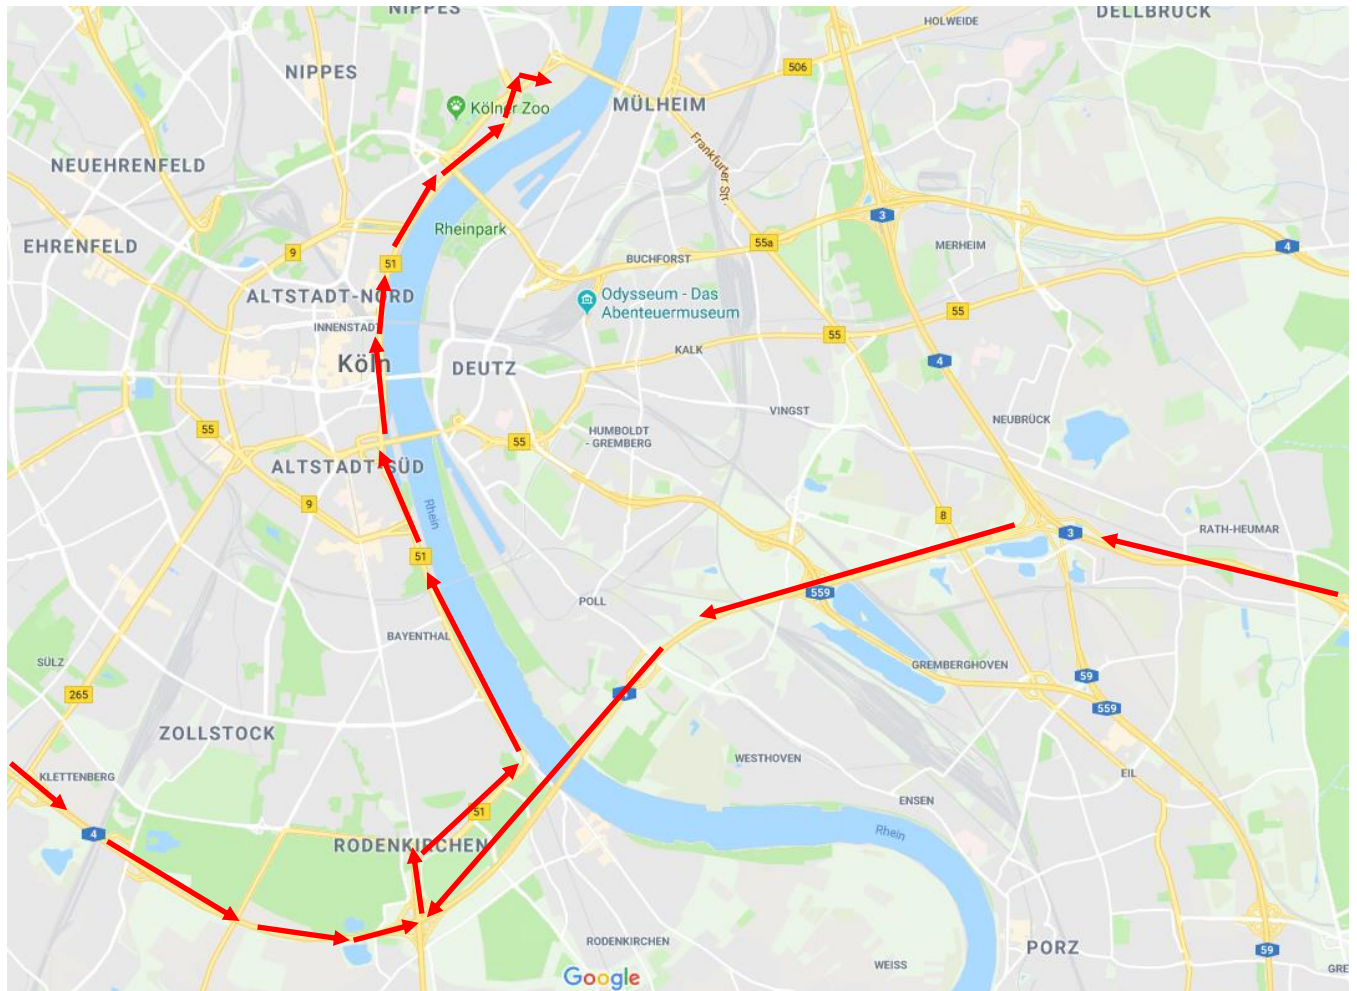

Guests coming from the **north and east** should take the A4 - Kreuz Köln Ost - Kalker Tunnel - Zoobrücke first exit ZOO - Niederländer Ufer left FRG north - right lane - An der Schanz - to the youth hostel !

Guests from the **south and west** (not cross Cologne East / Block!) But from the **south** via Heumarer highway triangle - BAB 4 - Rodenkirchen bridge -

or from **west** direction

Cologne South Exit Bayenthal highway 555 - circle right direktion center / Rheinufer - over the Militärringstr. - Oberländer Ufer direktion- north to youth hostel

Note the hints in the small sketches above !!! (think of the speed camera ! )

We hope you all have a stress-free, dry maybe even sunny journey and look forward to spending some nice days with you in Colonia !
